LE VILLE

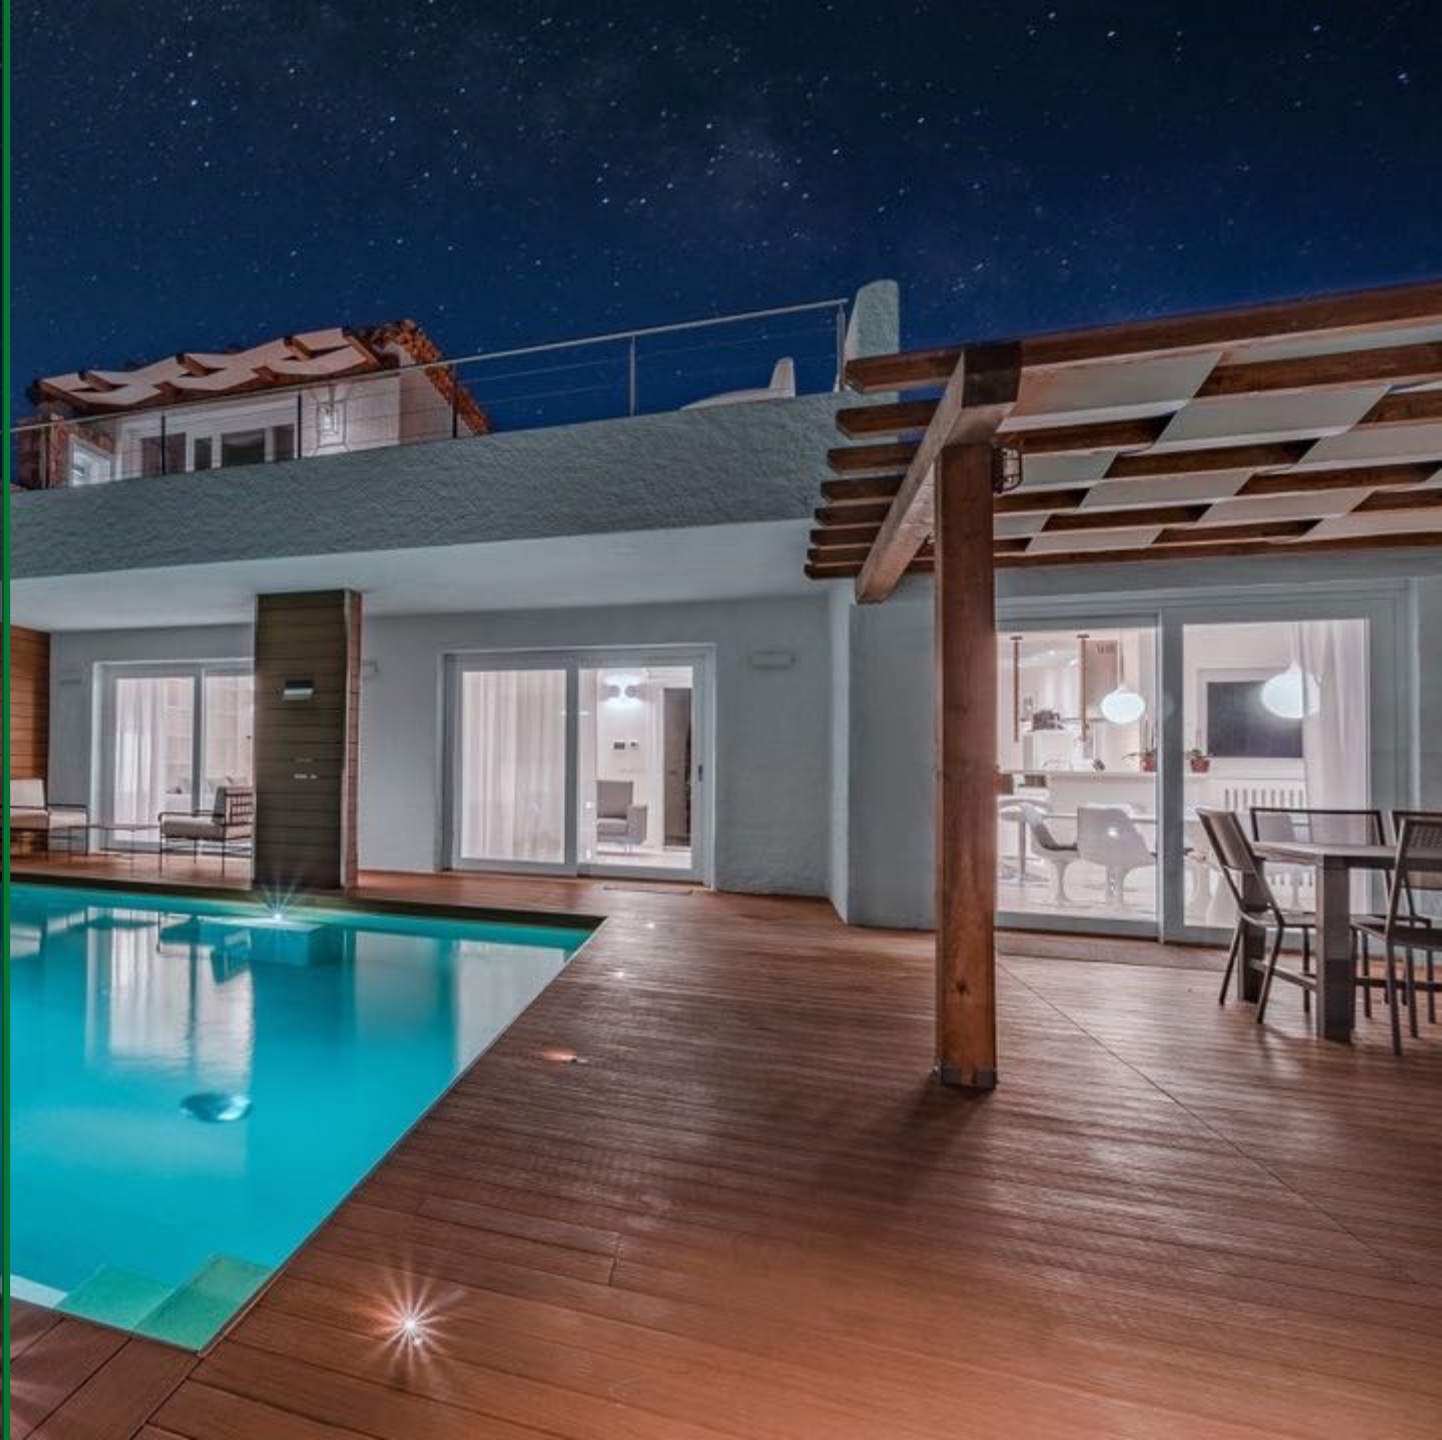

Exclusive, newly built detached and semi-detached villas, harmoniously integrated into the breathtaking landscape that surrounds them, designed to blend in with their surroundings and offer a refined and immersive living experience.

Each villa is an example of careful and distinctive design, where elegance is combined with the authenticity of local materials: stone from San Giacomo and other fine raw materials of natural origin have been chosen to enhance the uniqueness of the area, creating a space where the interior and exterior blend in continuity. The large windows and open architectural solutions allow living in harmony with nature, in a constant dialogue between sky, earth and sea, bathing each room in light and unique views.

LE VILLE

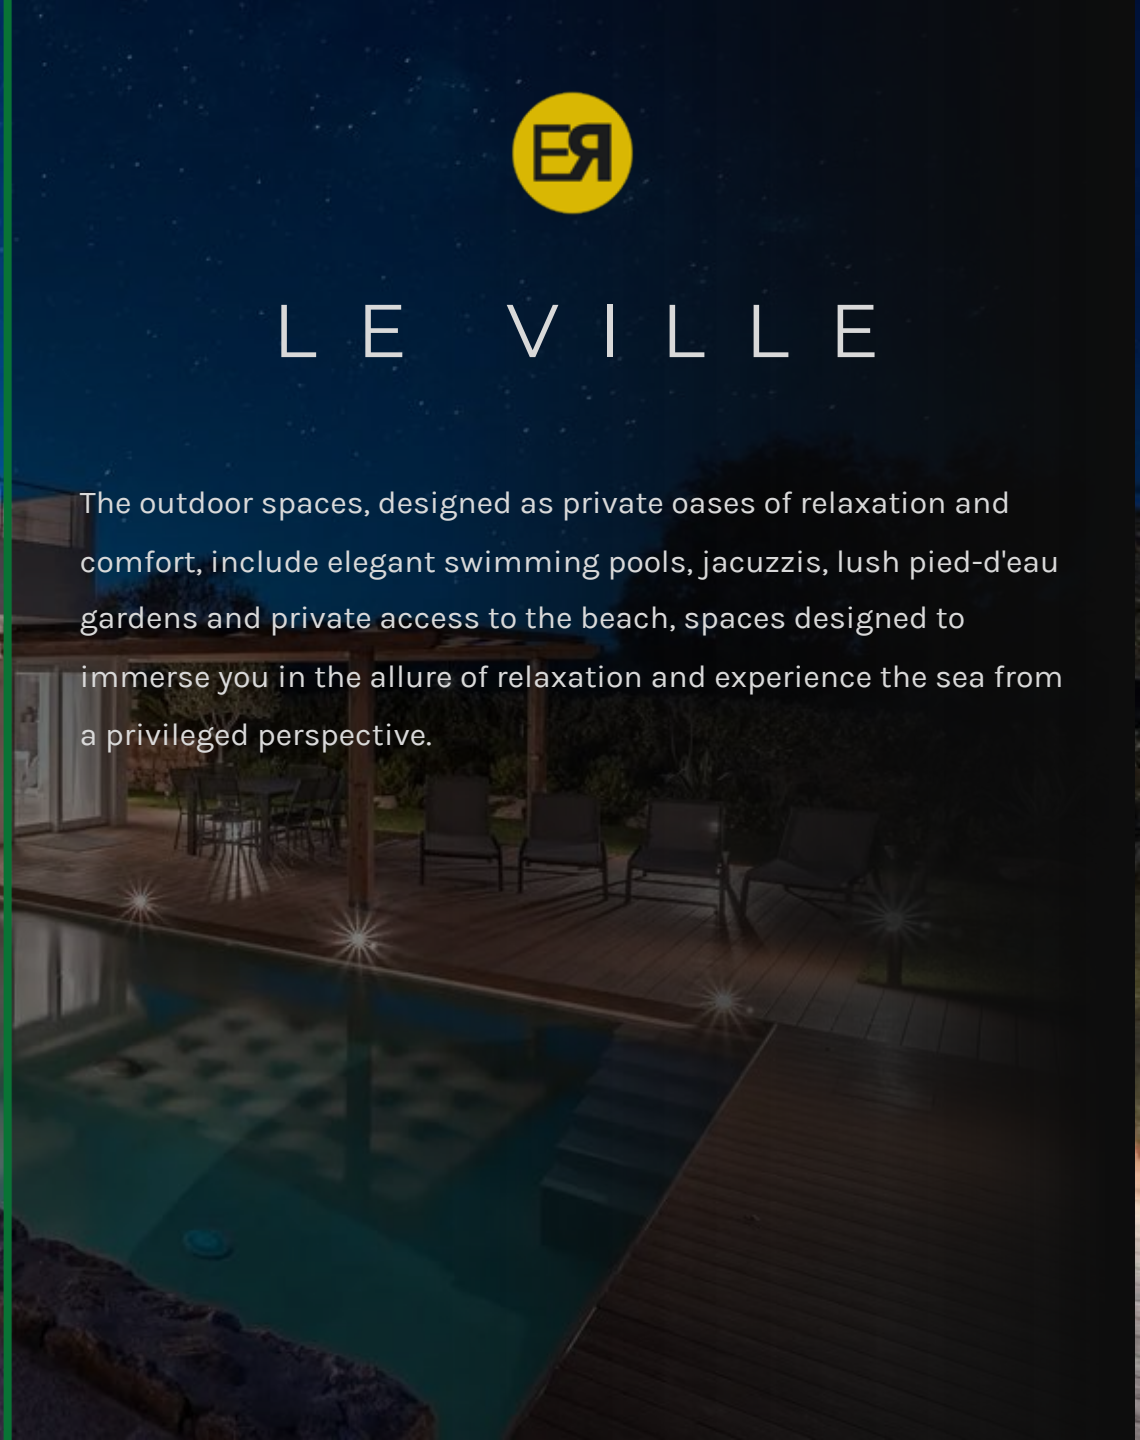

Attention to detail is evident in the refined, high quality finishes and fine craftsmanship, designed to enhance every corner of the home and create an atmosphere of understated and authentic luxury. Each villa has been carefully oriented and positioned to offer unparalleled views of the spectacular coastal landscape, making every moment spent here an unforgettable visual and sensory experience.

LE VILLE

The outdoor spaces, designed as private oases of relaxation and comfort, include elegant swimming pools, jacuzzis, lush pied-d'eau gardens and private access to the beach, spaces designed to immerse you in the allure of relaxation and experience the sea from a privileged perspective.

LE VILLE

EXCLUSIVE RESORT SARDINIA represents a dimension of tranquillity and beauty, a corner of paradise that can be lived in all seasons, where the pleasure of feeling at home is combined with exclusive services reserved for villa owners, for a living experience of rare excellence.

The **Resort villas** are built with a minimalist design that blends harmoniously with the island's typical nature and rocks, creating a unique environment that enhances beauty, distinctiveness and livability. Each villa has been carefully designed and built to blend in with its surroundings, respecting the natural balance and maintaining visual and stylistic harmony with the other properties.

EXCLUSIVE RESORT SARDINIA is a haven of rare beauty, set in six hectares of private park where the lush green of the landscape blends harmoniously with the vivid turquoise of the surrounding sea. This hamlet is an example of environmental sustainability and conscious architecture, the result of a philosophy that celebrates and enhances nature, integrating it into every design detail. The main objective is to create a space that is part of the natural landscape, minimising the impact on the environment and promoting local biodiversity. Natural materials, sustainable design and the conscious use of resources make this place not only an example of sustainable luxury, but also a model of respect and integration with nature.

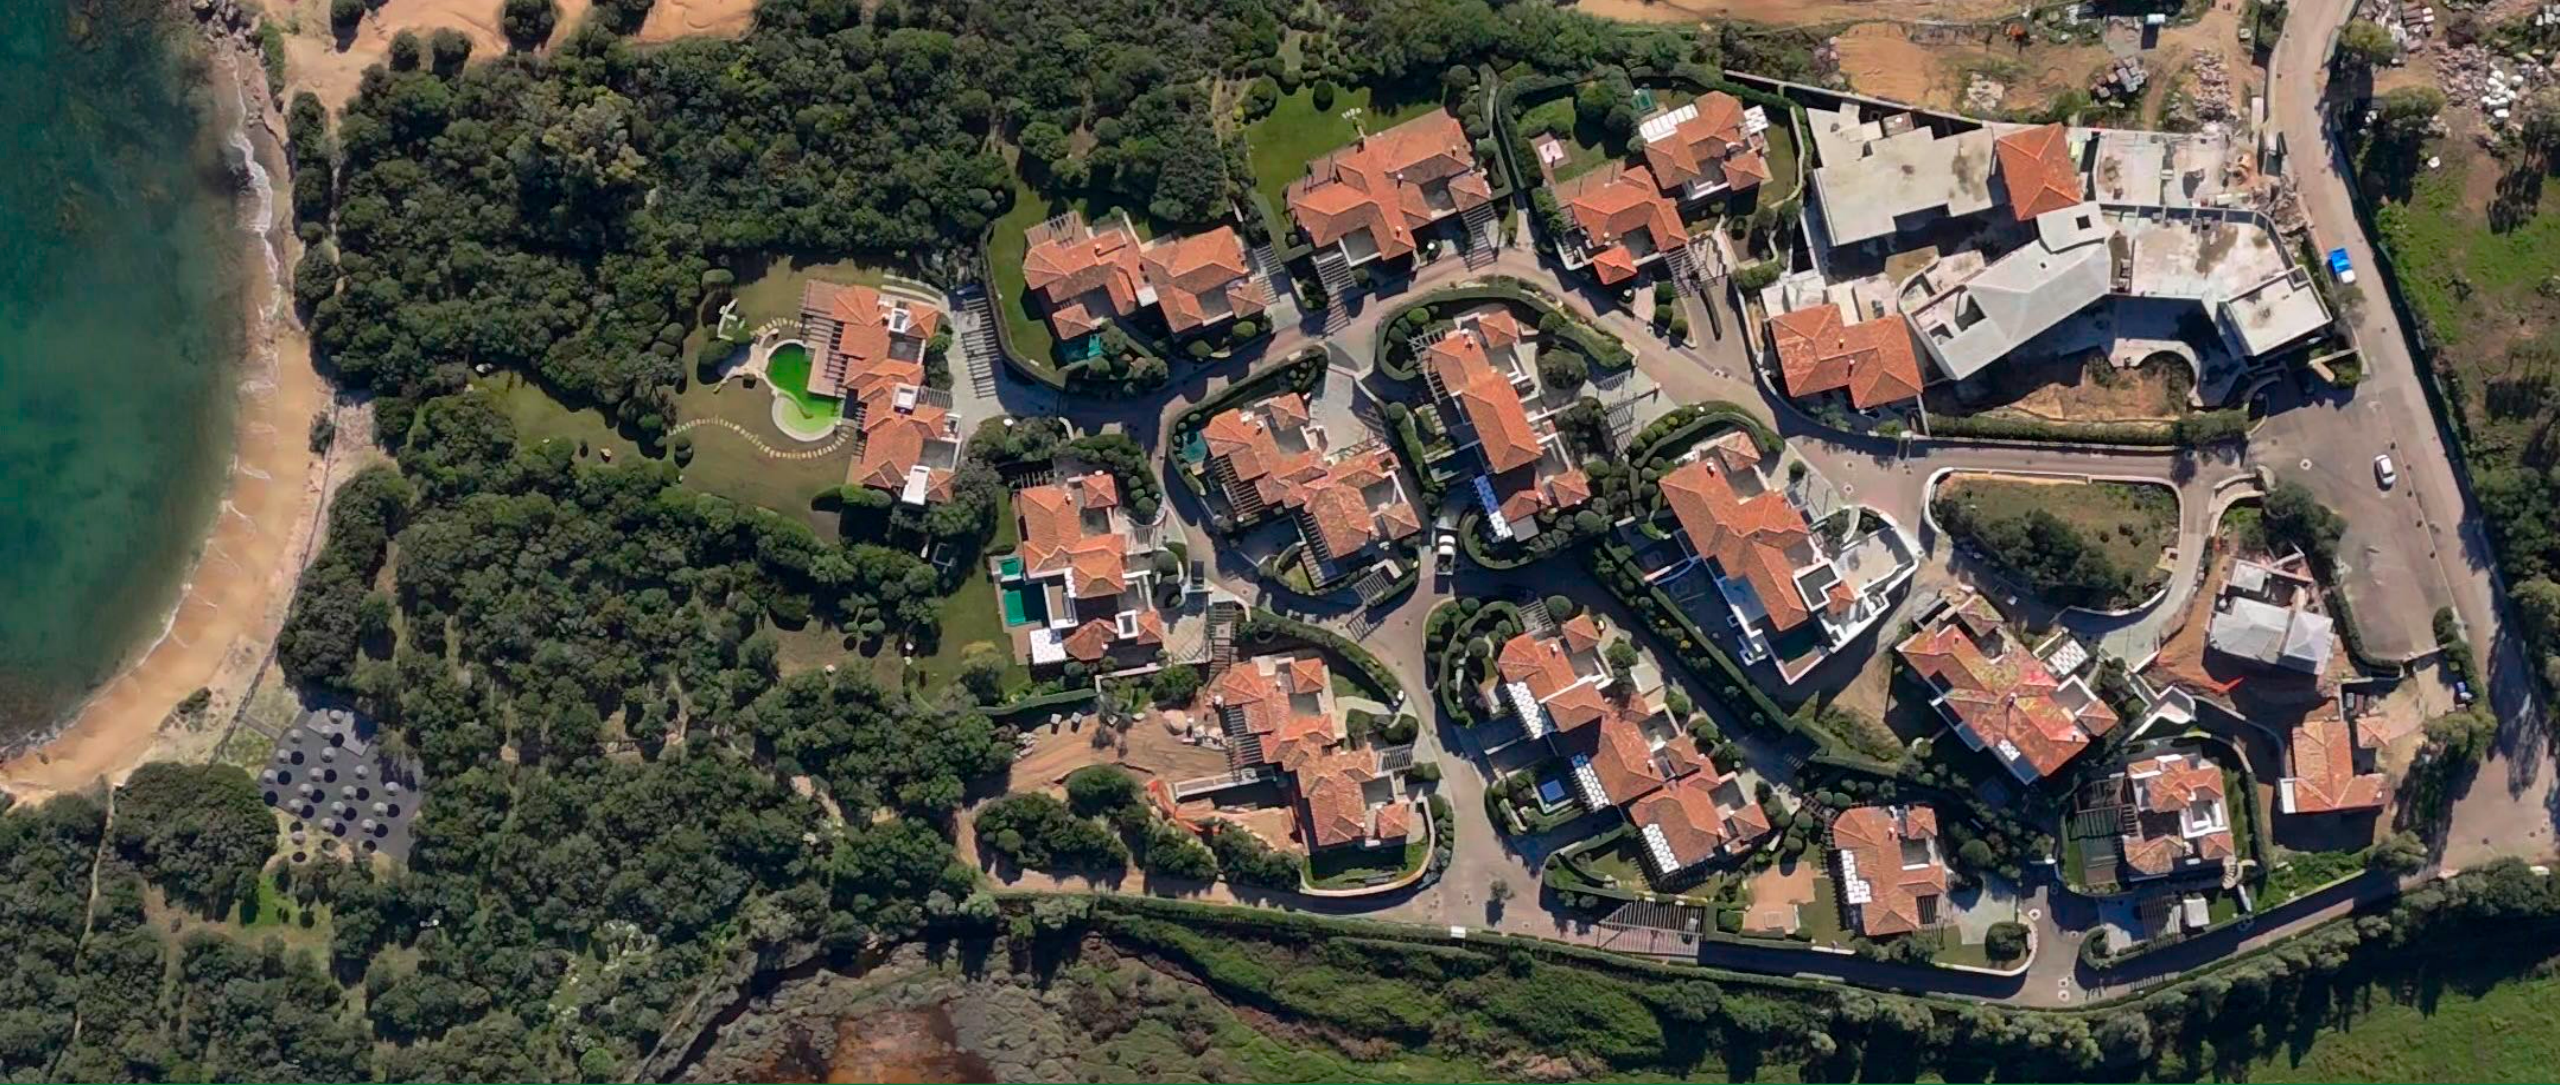

The Five Star Superior HOTEL located in the heart of the Resort suburb represents an oasis of luxury and sophistication, designed for a discerning clientele seeking the ultimate in comfort and exclusivity. Guests can choose from excellent suites with sea views, equipped with indoor or terrace Jacuzzis, or luxurious private villas with swimming pools, offering an unparalleled personalized experience.

In addition to high quality accommodation, **the HOTEL** offers an exclusive restaurant and sophisticated cuisine that combines local flavours and international influences to create unique and refined dishes. Facilities include impressive swimming pools, a state-of-the-art gymnasium and a first-class SPA with saunas, Jacuzzis, cryotherapy and many other rejuvenating treatments. Every detail has been carefully considered to provide a total wellness experience where each guest can enjoy the relaxation and tranquillity that characterise Borgo HarenÆ, surrounded by the natural beauty and elegance of this exclusive location.

THE BEACH CLUB within the village represents a true corner of paradise by the sea, designed to offer an exclusive and relaxing luxury experience. Equipped with elegant African-style sunbeds and umbrellas, it allows guests to fully enjoy the sun and sea breeze. Next to the beach, a sunbathing table winds between rocks and Mediterranean vegetation, offering breathtaking views surrounded by marine nature. The club includes a buoy park for yacht mooring, supported by an efficient tender service to transport visitors. Days begin with fine breakfasts accompanied by classical music, an ideal setting for those who want an elegant and peaceful start to their day. At lunch, guests can enjoy a selection of refined dishes that flank simple but top-quality offerings designed to please every palate. In the afternoon, an exclusive aperitif is served, accompanied by lounge music, ensuring maximum privacy for those seeking a special moment before dinner. At dusk, with the golden light of the sunset, the restaurant offers creative and engaging dinners, with dishes inspired by local tradition but given a modern twist with high-quality ingredients. The Beach Club is located in a bay naturally protected from prevailing winds and stands out as a new landmark on the Emerald Coast, perfect for those seeking luxury, privacy and an authentic immersion in the heart of the Mediterranean Sea.

THE PARK of the Resort is a true oasis, immersed in the unspoilt nature of Sardinia, surrounded by the intense scents of the Mediterranean maquis and the striking age-old rocks. This exclusive space offers a unique health trail with several pitches overlooking the sea, designed to ensure privacy and tranquillity during outdoor workouts, as well as areas dedicated to meditation, yoga and mindfulness activities, creating an ideal environment for regenerating body and mind. There is an equipped playground for younger children, while for those seeking a unique experience, special geodesic domes have been installed to admire the night sky in all its beauty. Guests also have access to a wide range of luxury services and activities, including yacht and sailboat hire, excursions and water sports such as kitesurfing, wingfoil and scuba diving. The village has a buoy field for yacht mooring and a private marina within walking distance of the village, ensuring an uncompromising experience.
